

The '58 Tiger

We, the Senior Class of 1958, wish to express
our sincere appreciation to our sponsor, Mr. Hugh
Houston, for his untiring effort in our behalf.

Faculty

Getting ready for bigger and better things has been characteristic of American youth since the first days of our country. Accomplishments have always come to those who have made preparation for them.

Today it is as true as ever that what we learn today for us is largely what we remember it should be. It is preparation for every young person to realize that.
